Arrival

- There is a car park attached to Saughton Park on Fords Road. This can get very busy at weekends. Alternatively, there is on-street parking on and around Stevenson Drive – **please be considerate to residents.**
- Please turn up at around 45-60mins before your first event. Please report to the declarations area (see map) in order to pick up your number. Then locate your chaperone and pool-mates and do a warm-up.
- There is a cafe on-site, with a little home baking, so parents etc can grab a pick-me-up while they wait! **CASH DONATIONS ONLY, PLEASE REMEMBER YOUR ££££££s!**
- Attach your number with 4 safety pins to the **FRONT & BACK** of your t-shirt/vest.
- Athletes will join their pools and be assigned a ‘chaperone’ in their assembly area, which is in the infield. Warm ups can also be done in this area.
- The chaperones are there to guide the athletes, point them in the right direction and to answer questions about the timetable and events. **However** it is the athlete and parents responsibility to ensure they get to their events on time.
- Once the athletes are with their pools, parents/spectators must stay behind the barriers around the track to spectate. **Please do not enter the infield or the track.**
- Dogs are not allowed in the track area.
- Please do not bring footballs/rugby balls etc.
- All athletes are encouraged to take part in all 4 events: 75m, turbo javelin, standing long jump and relays. The first 3 events count towards each individuals scores.
- There are toilets in the sports centre
- There will be refreshments available in the enclosure.
- Once all results are in and collated, there will be a medal ceremony near the finish line area just before 1pm.
